Sleep Cool & Dry on a Cloud of Air

## Wake up Feeling Cool & Refreshed

- **3-layer ventilated system provides all night cooling relief**

  The top layer has thousands of resilient fibers that act as independent springs to keep airflow channels open. This combines with a **hidden layer of 3D Mesh** for cloudlike sleeping comfort to keep sleepers cool and dry.

  Ventilated, Contoured Memory Foam provides orthopedic support and promotes air circulation.

  Soft, Breathable Cover wicks away moisture.

It's **99%** Air!

Excellent for back, side, or stomach sleepers.

- **The famous contour shape supports and aligns the spine for a great night's sleep.**

  - **Support lobes come in two heights to provide the perfect support for the neck and head**
