

## FLEXIBLE SOLE PATIENT SAFETY FOOTWEAR

Albahealth® Flexible Sole Patient Safety Footwear provides slip-resistant protection through unique flexible soles while providing premium patient comfort.

All Safe-T Treads®, Care-Steps® II and Care-Steps® III are made from a cotton and polyester yarn combination while the Shower-Steps™ feature a lightweight mesh profile, all promoting superior patient comfort.

## FLEXIBLE SOLE PATIENT SAFETY FOOTWEAR

The flexible sole footwear line features superior protection against falls with slip-resistant soles while focused on patient comfort.

The Shower-Steps™ are designed for use on wet surfaces and allow air to pass through to speed drying. Safe-T Treads® feature a full foot silhouette made of plastisol tread available in classic and risk management styles.
