

AE-205 Earphone

The perfect audio companion to take anywhere

Comfortably sits inside the ear to ensure a more secure fit, while allowing for clear sound at a lower volume. Ideal for a more immersive listening experience.

- Lightweight earphone built for anyone who loves to listen to music or podcasts
- The silicon ear pads fit perfectly in your ears and provide a comfortable listening experience you can use all day
- Noise reducing design lets anyone listen at a comfortable level

Kraft paper packaging with hang hole for merchandising
