

Safety. Comfort. Quality.

You want to keep your patients safe.
Your patients want to be comfortable.

Have the best of both worlds — you'll value the safety of traction and control. Your patients will appreciate the softness, comfort and breathability of quality, cotton-based slippers.

A complete assortment of sizes and styles help ensure a comfortable fit for all patients.

- Double or single-sided tread
- Terry material facing in or out
- Color coded by size or risk management level
- Infant to bariatric sizes available

All Cardinal Health™ Patient Safety Slippers are not made with natural rubber latex.
