

COOL RENEWAL®

*“Providing a Low Cost,
High Value Cryosurgical Solution to
Physicians and Veterinarians around the World”*

Cool Renewal® is a convenient and cost effective alternative to traditional liquid nitrogen equipment, as well as other expensive canister and cartridge based cryosurgery systems.

Cool Renewal® was developed to fill the gaps of its competitor products, offering physicians and veterinarians a wide variety of applicators in several sizes, patented applicators unique to our cryosurgical system, and the lowest cost per treatment available from a portable cryosurgical system.

At Cool Renewal, LLC, we want to give every physician and veterinarian in the world the opportunity to expand their services offered by treating patients with skin lesions at an affordable and profitable rate.
