## SEATBELTS

- Made from durable and comfortable fabric with adjustable lock-and-release straps

## BRAKE LEVER EXTENSIONS

- Easily slips on to and adds length to existing standard wheel lock lever

## ANTI-TIPPERS

- Durable steel construction
- Helps prevent wheelchair users from tipping the wheelchair
- Easy tool-free installation (10260, 10267 & 10268)
- Fits 7/8 inch and 1 inch tubing (10271)

## WHEELCHAIR MOUNT OXYGEN TANK HOLDER

- Oxygen tank holder for "D" and "E" cylinders

## IV POLE

- Durable steel construction
- Easy to install and assemble
